## WHITE BLENDS for Holiday Seafood

### Lasseter Family Winery 2014 Voilà Sonoma Valley Sauvignon Blanc-Semillon (\$46)

Pixar founder John Lasseter and his wife, Nancy, continue to hone a different craft in Glen Ellen, growing a wide range of grapes that become worthy wines. This complex, creamy white is made of 50 percent Semillon, 29 percent Sauvignon Blanc and 21 percent Sauvignon Blanc Musque, the grapes sourced from the Monte Rosso and Leveroni vineyards. The wine is fleshy and full of fig flavor, laced with mild lemon, quince and vanillin oak.
